

HEARTS PROM DRESS CODE & CODE OF CONDUCT

It is our intent to provide an alternative PROM for the HEARTS home school community that will allow them to experience an evening of celebration with their friends at the end of the school year. This is a formal affair that is intended for you to get together as a group and enjoy each others company as a group. Therefore, we strongly discourage couples from attending the prom as “dates”. We have found that the most fun is had by all when everyone is willing to dance with a lot of different partners. It is also important to treat the evening and other guests with the respect they deserve by dressing in appropriate attire. We do not want to be too limiting on the dress, Therefore, modest-formal attire should be clear enough for everyone that attends to be dressed appropriately for the evening. With this in mind and in order to clearly state our expectations for the evening each participant must sign the following Dress Code and Code of Conduct.

Dress Code: Black Tie Optional

- Men must wear dress slacks, dress shoes, button down shirts & a tie – suit jackets encouraged but optional.
- Women must wear dresses below the knee with modest tops. (No cleavage showing and not above the knee)
- You may contact Mrs. Nicotra at 703-880-6901 if you have questions about proper attire.
- We reserve the right to refuse entrance (with a full refund) to anyone that is not appropriately dressed.
